

St. Charles de Foucauld
Little Brothers of Jesus Tunic

Supplies:

36"x36" piece of white felt (cut into thirds)

Red yarn

St. Charles de Foucauld template (printed on card stock)

White school glue

Hot glue gun

Directions:

1. Cut out the heart and cross insignia from the template.
2. Cut 70-75 pieces of yarn, each between 3-4" long.
3. Starting at the top of the cross, use school glue to cover the template with the pieces of yarn placed horizontally (the strips of yarn should hang off the template.)
4. Let it dry, then flip over the template and cut off the excess yarn.
5. Fold the piece of felt in half, place a 5-6" diameter bowl halfway over the fold, and trace the half circle on the front.
6. Cut the folded cloth along the traced line to make a circle.
7. Use the hot glue gun to secure the heart and cross on the front of the tunic, in the center, about 2" below the neckline.
8. Place the tunic on your child's shoulders and talk about how St. Charles de Foucauld wanted nothing more than to live the life of Jesus whom he loved above all.
